N.S.W. 2680

11 Jun 88

DEAR STAIRLOP & GEORGE,

YOUR LETTER OF 5 JUNE  
ARRIVED YESTERDAY ARVO SO AM HURRYING TO REPLY. BUT  
THINK THIS REPLY WILL BE TOO LATE TO USE THE  
LOGGAGE LABELS. THE LARGE ONE IS A SAMPLE OF  
THAT WHICH I MENTIONED FOR 'BRUD'. THE IDEA WAS  
FOR HIM TO USE THE IDENTIFICATION TAG ON THE  
LOGGAGE WHICH I IMAGINE WOULD BE CARRIED BY MOTOR  
VEHICLE AHEAD OF THE 'CYCLE CONVOY'. YOUR TWO,  
GEORGE, ARE FOR YOUR LARGE CASE AND BRIEF CASE THE  
SMALL ONE FOR YOUR NEXT "WORLD-WIND TOUR."

WHILE ON THE SUBJECT OF ENGRAVING,  
I'M ENCLOSED SOME SAMPLES AND SIZE DRAWINGS OF  
SUGGESTED IDEAS FOR YOUR MEDAL MOUNTS. FINANCIAL  
ADJUSTMENTS FOR BEAUTIFUL PHOTOS SOUND OK. TO ME.

EXPO — <sup>SATURDAY 9</sup> SUNDAY 10 JULY IS THE DAY  
WE DEPART BRISBANE FOR O'NITE AT BYRON BAY, SUNDAY  
10 JULY TO O'NITE TANNMOUTH. HERE IS WHERE WE LEAVE  
THE CRIFFITH COACH AND TRAIN IT TO SYDNEY ON MONDAY 11.  
DURING THE WEEK WE WILL STAY WITH DAWN'S WIDOWS  
COUSIN <sup>JOYCE SHARP</sup> AT BRIGHTON ON 593478; DEPART BY RAIL ON  
MONDAY 18 JULY FOR C'TH.

YOU PICKED A GOOD TIME TO TRAVEL  
THE NORTHERN HEMISPHERE WEATHERWISE BUT I DON'T ENVY  
SUCH A FAST MOVING TOUR.

BON VOYAGE OR HAPPY RETURN  
WHATEVER THE CASE MAY BE

Phil & Dawn

- (A) THE JEWELLERY BRASS PLATES CAN BE DRILLED FOR AFFIXING WITH BRASS WSCOTCHSON PINS OR DOUBLE SIDED TAPE CAN BE UTILISED.
- (B) THE 3 GOLD ANODISED PLATES HAVE A PROTECTIVE FILM ON ONE SIDE AND A WAXED COVER OVER A SELF ADHESIVE SURFACE ON THE REVERSE.
- (C) THE BITS OF SCRAP PLASTIC WITH SAMPLES, WHICH INCLUDE A COUPLE OF SCRAP MISTAKES ARE CUT FROM A 4' X 2' SHEET AND OF COURSE CAN BE CUT TO ANY SIZE YOU'D REQUIRE. THE BEVELLED EDGES I ALSO DO ON A SPECIAL M/C.
